Upon consideration of the motion of Ventura Industries, LLC (the “Debtor”), debtor and debtor in possession in the jointly administered, above-captioned chapter 11 case, to: (i) prohibit utilities from altering, refusing, or discontinuing services; (ii) approve the form and manner of providing adequate assurance to the utilities; and (iii) establish procedures for determining requests for additional adequate assurance (the “Motion”) and, upon consideration of any responses to the Motion, it is hereby **ORDERED**, **ADJUDGED** and **DECREED** as follows:

4. The Debtor shall make deposit payments to the Utility Companies as adequate assurance of payment under section 366 of the Bankruptcy Code in amounts not to exceed the

9. The entry of this Order is without prejudice to the rights of any Utility Company to seek relief on the ground that it is not a utility within the meaning of section 366 of the Bankruptcy Code.
